

## Sentiero COVID-19 Health Precautions Survey Results

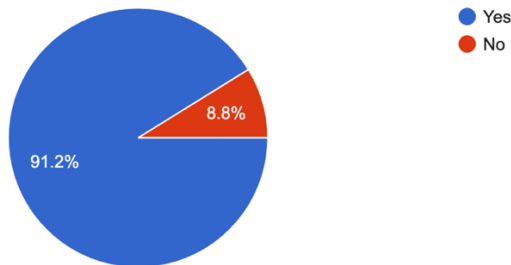

Please indicate a preference regarding the modality of treatment.

Sentiero's COVID-19 Health & Safety Precautions have been clearly communicated.

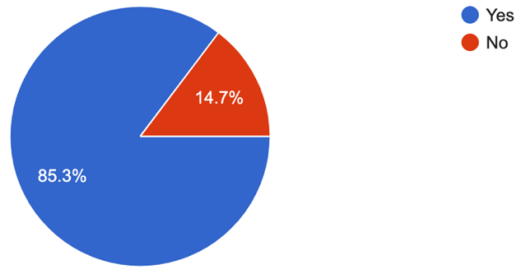

Sentiero's COVID-19 Health & Safety Precautions bring me peace of mind.

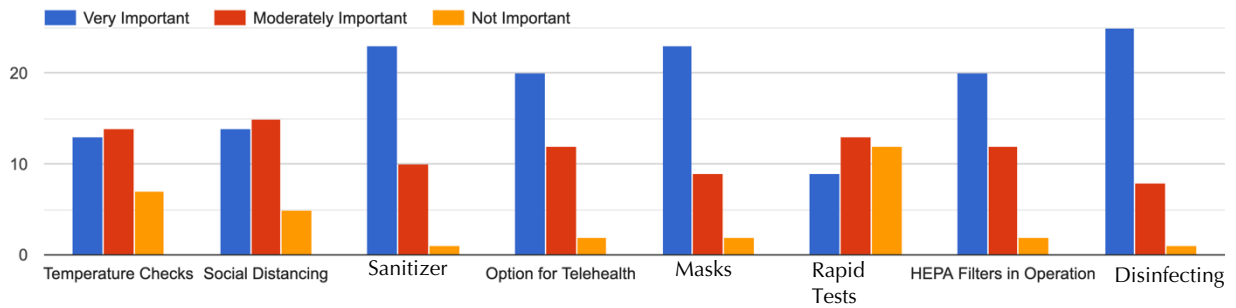

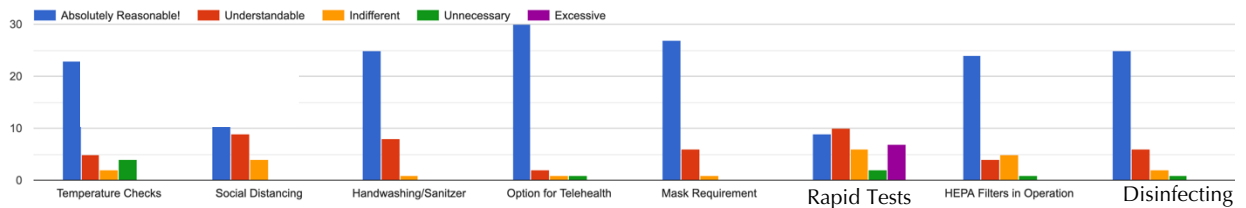

Sentiero's COVID-19 Health & Safety Precautions are reasonable.

How "important" are Sentiero's COVID-19 Health & Safety Precautions ?

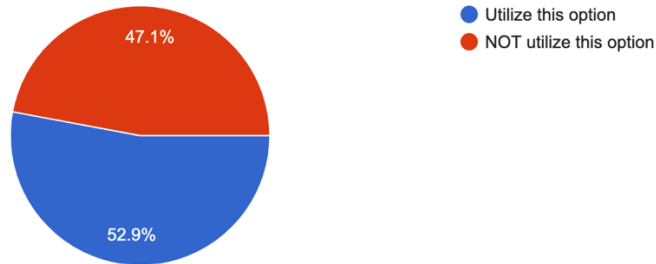

How "reasonable" are Sentiero's COVID-19 Health & Safety Precautions?

If rapid tests (that could be self-administered 20 minutes prior to an appointment) were available at Sentiero for a nominal fee (e.g., \$20-\$25), I would...

I love the atmosphere at the office.	You're doing great and we appreciate the safety measures.	I appreciate everything that you're doing.
Keeping patients safe.	Maintaining good COVID control practices.	Customer service is outstanding!!!!
Providing hand sanitizer as soon as you walk in the door to sanitize after using the elevator.	Keeping in-person options open, even if it means having to take the rapid test doesn't bother us.	No real comment. You guys do great.
Your offices are always clean. I have never had a health or safety concern while visiting Sentiero.	The environment that the workers create makes it easier to feel at ease.	I appreciate the option of telehealth, though I much prefer in-person.
No smoke. Pretty much everything.	Communication	Communication and excellent service!
